**2N 2Wire + EU power source**

2N® 2Wire is a converter that allows you to connect any IP device in places without an IP infrastructure.

**Manufacturer:** 2N
**Reference:**H9159014EU

**Price:** 364,21€

**Description:**

2N® 2Wire is a converter that allows you to connect any IP device in places without an IP infrastructure. You only need to use the existing cable wiring from a doorbell or telephone. What’s more, one cable is all you need for both data transfer and power supply.
