2N IP Handset, White

Manufacturer: 2N
Reference:H1120101W

Price: 128,26€

Description:

The 2N® IP Handset is our most affordable answering unit. This is suitable for places where the customer only requires a basic audio device for communication with visitors and to open the door. Offer the 2N® IP Handset for projects where you don’t expect to use My2N services, such as bulk administration and remote configuration. The 2N® IP Handset is not covered by the free My2N cloud calling.

Basic IP answering unit Button to open the door On the wall or on the table
